Instructor Led Classes are located in our South Burlington location.

You can come to our location, or take the class live from your desk at work or home

APPLICATION CLASSES
At KnowledgeWave, we offer extensive training on many different Computer Applications Programs. As a computer professional, you need to develop true competence in new skills, not just receive an overview of syntax and techniques. That's why our instructor led training employs hands on practice for at least 80% of the time in class. Your experience directly applying new skills leads to clarity, confidence and true competence.

LIVE FROM YOUR DESK
Attend a class from anywhere; Join one of our live classes from anywhere, no need to travel we will bring the training to you. Our Online Live classes give the student the flexibility to take a class from our location, work or home. Online Live is an integrated learning experience, using the internet to provide live, interactive lessons between an instructor and students. Although separated by geography, instructors and students share active discussions, practice labs and simultaneous document viewing.

TECHNICAL CLASSES
Vermont's only Microsoft Gold Partner for Learning Solutions and Citrix Authorized Learning Center, KnowledgeWave also delivers Cisco® Training as a sponsored organization of an authorized Cisco Learning Solutions Partner. This means you can be sure our materials, instructors, course design and formatting meet or surpass industry guidelines.
